PATENT ASSIGNMENT

WHEREAS, I, Eduardo Slatopolsky of 1670 Frontenac Woods, St. Louis, Missouri, 63131, have co-invented *Prevention of Hyperphosphatemia in Kidney Disorder Patients*, for which an application for Letters Patent in the United States has been made, having the Serial number 08/502,288, and the filing date July 13, 1995, and

WHEREAS, Washington University, a corporation of the State of Missouri having its principal office and place of business at One Brookings Drive, St. Louis, Missouri, 63130, is desirous of acquiring my entire right, title, and interest in and to said inventions as disclosed in said application and in and to any Letters Patent or Patents, United States or foreign, to be obtained.

NOW THEREFORE, in consideration of the remuneration to be shared with the co-Inventor in accordance with the Washington University institutional policy on intellectual property in effect as of the date of this assignment and other good and valuable considerations, paid or to be paid, I, Eduardo Slatopolsky, have sold, assigned, and transferred and do hereby sell, assign, and transfer unto the said Washington University, its successors, legal representatives and assigns, my entire right, title, and interest in and to the above mentioned invention, application for Letters Patent, and any and all Letters Patent or Patents, including divisionals, continuations, continuations-in-part, reissues and extensions to be obtained therefore in the United States and all foreign countries.

AND for the same consideration, I hereby agree to and with Washington University, its successors, legal representatives and assigns, that, at the time of execution of this assignment, I am the lawful co-owner of the entire right, title, and interest in and to the said inventions and the application for Letters Patent above mentioned, and that I am unencumbered and have good and full right and lawful authority to sell and convey the same in the manner here set forth.

AND I further agree to cooperate with the Washington University, its successors, legal representatives, or assigns in the procurement, maintenance, enforcement and defense of any and all such Letters Patent as the University, its successors, legal representatives, or assigns may desire to apply for, but at the expense of the University, its successors, legal representatives, or assigns.

The Commissioner of Patents or other proper official is hereby authorized and requested to issue said Letters Patent to said Washington University in accordance with this assignment.
